7.2 - Minnesota Section Points Match Series

7.2.1 - Each affiliated club will be encouraged to hold one match per calendar year to help in the determination of the Section Division Champions and Section Class Champion. Any conflicts in scheduling may be mediated by the Section Coordinator. No points matches shall be scheduled during any Nationals or Area 3 Match. If it is scheduled it will not be considered a series points match.

7.2.2 - Points towards the title of Section Division Champion or Section Champions shall accrue in the following manner for each competitor:

7.2.2.1 - The match percentage of Section Points Matches and the Minnesota Sectional Match or Tournament will be called "Section Points". These "Section Points" will be used throughout the Points Match Series. The "Section Points" from the Minnesota Sectional Match or Tournament will be doubled.

7.2.2.2 - The Sectional will only count the highest simple majority of the Matches from the total number of Points Matches scheduled for the points match series. In addition the doubled section points from the Minnesota Sectional will always be added to the section points total.

7.2.3 - Awards will be given at the annual meeting.

7.2.3.1 - A competitor's national class ranking on the day of the Minnesota Sectional Match shall be used in determining his/her classification for the Series.

7.2.3.2 - All Divisions will be recognized at Section Points Matches and the Minnesota Sectional, however, if there is not a minimum of three (3) competitors within a division, no award or slots will be given for that division by the Section.

7.2.3.3 All Classes within a Division will be recognized at Section Points Matches and the Minnesota Sectional, however, if there is not a minimum of three (3) competitors within a Class, no award will be given for that Class by the Section. This may also apply to other national recognized categories as well.
